## its-online teacher's subscription

### its-online: One year, €30

A one year Internet teacher's subscription to its-online includes access to its-teachers (online edition of the print magazine), its-english (interactive exercises), 3sixty5 (activities for every day of the year), and its-myworld (online class projects). The subscription includes free access for your students to use the its-myworld and its-english sites.

Note: The its-online subscription allows access for one individual teacher at any time. Schools wishing to provide access for more than one teacher can order additional passwords for €10 each.
